Where we ready for change?

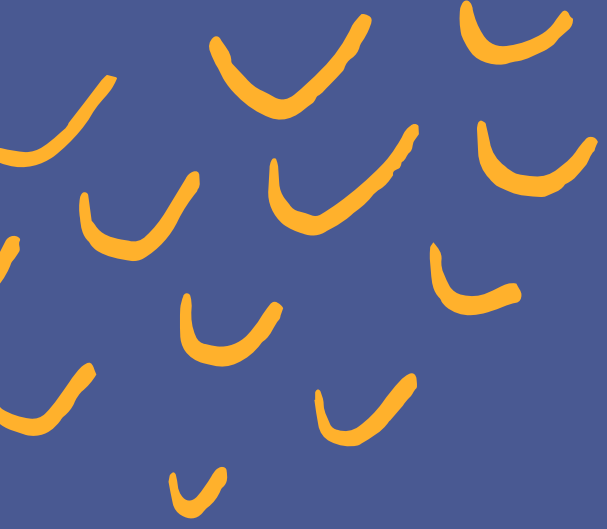

Education- Technology

PANDEMIC

Detonator - Revealing event

24,000,000

School Dropout due to confinement
UNESCO

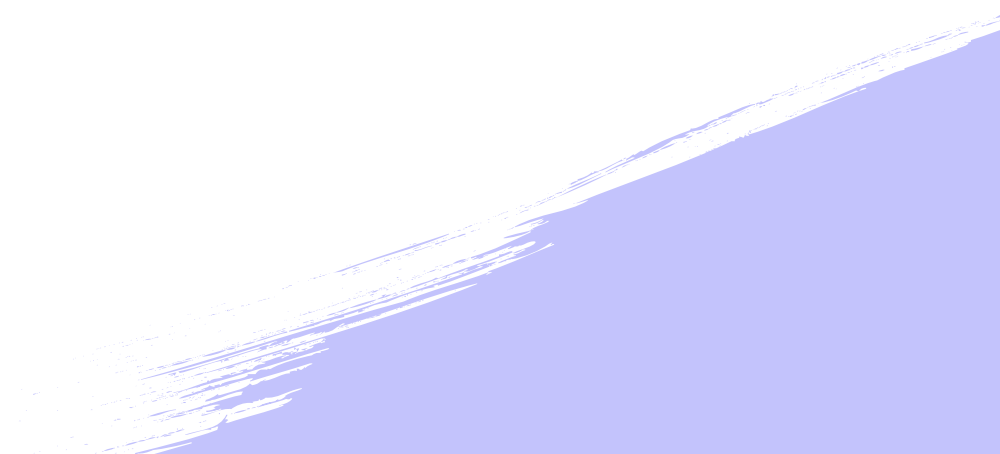

How to scan with
my cell phone?

How do i use
Classroom?

How do I join
to a
video call?

How do i send
a file on whats app?

Process

1. Answer

- Statement of the wicked problem
- Issue tree
- Timelines

2. Intevention

- Future of futures analysis from the TiUD of 2020
- Trends identification

3. Transition

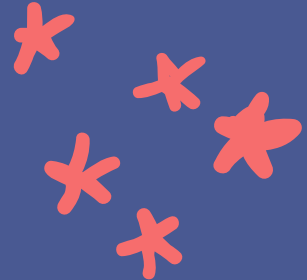

- Actors map
- Logical Frame Matrix

Technological Transition

Training

- Technological transition
- Virtual classroom
- Communication platforms
- Support Apps & software
- Generate a project that supports the transition

MÉXICO + PADRE

What it is about?

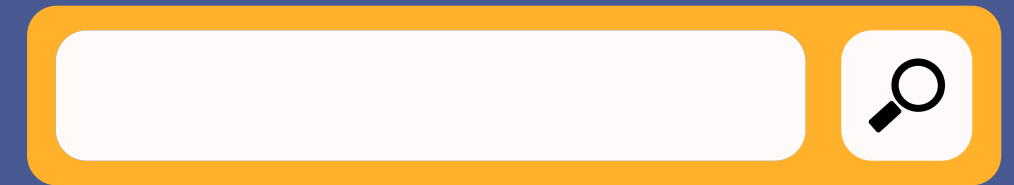

Acquire new knowledge

Create/Generate
community

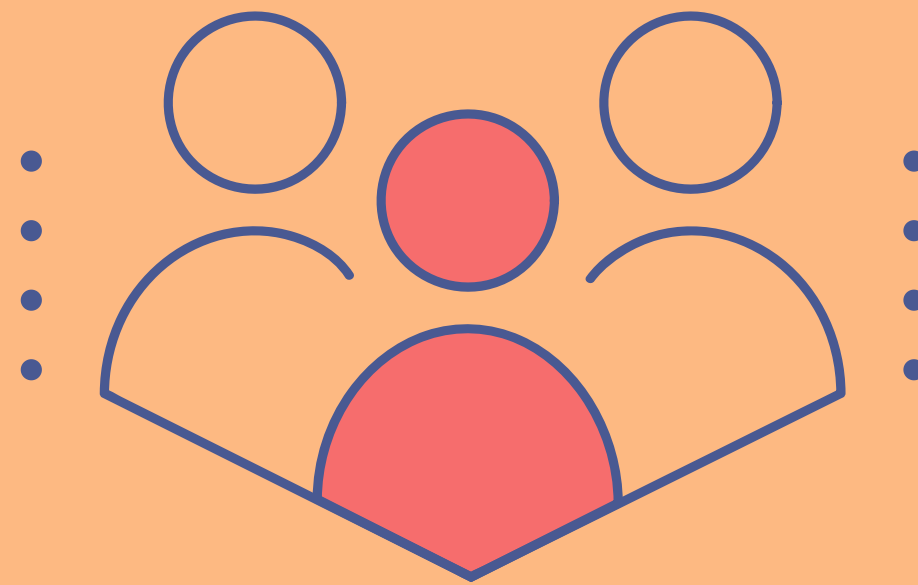

To transmit what I know

Learn and share

Community

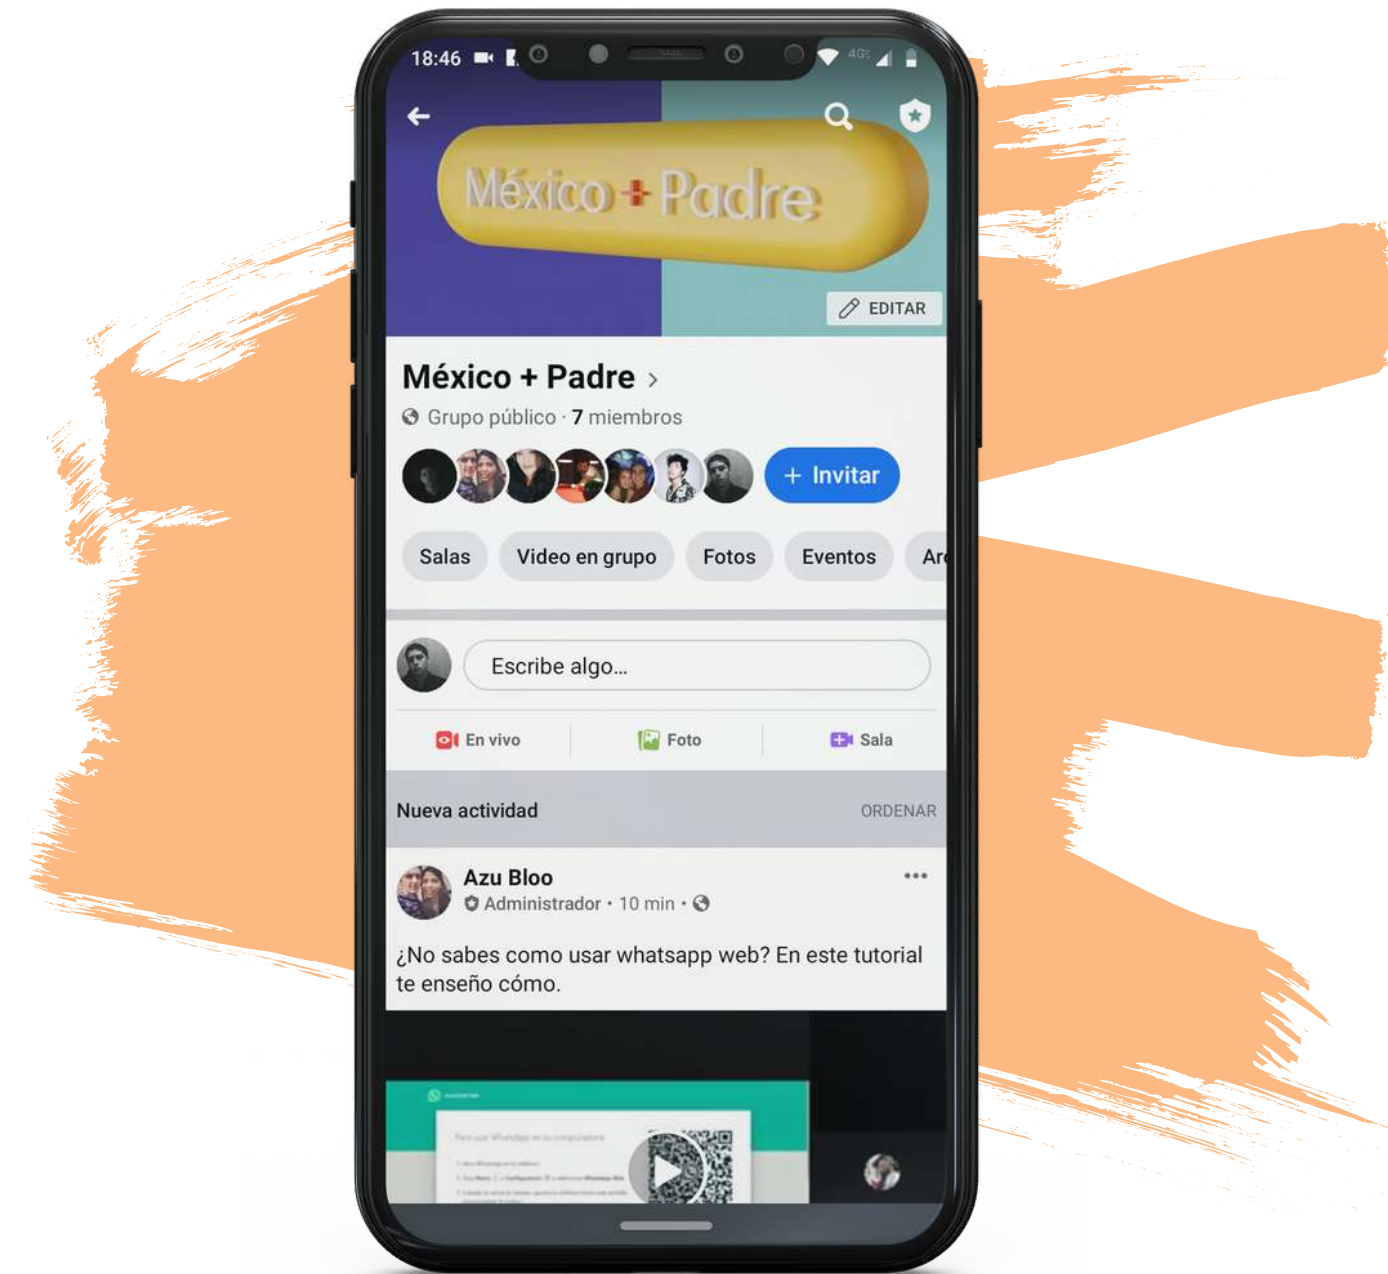

México + Padre

From the immediate to the expected in the future

Generate communities

Visualizing the future

Equipment donation

Technological Training Centers
